

DESCRIPTION

The **ENC-4X2 Enclosures** are designed to house Colorbeam Lighting drivers, processors and amplifiers in a clean and safe cabinet. Pre-drilled for surface or flush wall-mounts, its front vented panel provides heat dissipation.

- Available in three sizes **ENC-2x1, ENC-4x1 and ENC-4x2**
- Pre-drilled for surface or flush wall-mounting
- Front vented cover
- Knockouts are available for adding electrical boxes/receptacles
- Ideal for residential and commercial applications

ENCLOSURE

16- gauge, cold-rolled steel, black painted backbox with perforated black painted cover: surface or flush wall-mount installation possible.

This enclosure can be safely mounted either vertically or horizontally, but ensure proper stability and avoid obstructing ventilation openings.
